

Dear Parents,

Welcome back to another fun but busy half term! With Easter drawing closer very quickly, we thought it would be fun to hold a school competition to celebrate this special festival. We would like the children to design and make an Easter Garden. A winner will be chosen from each class to receive an Easter prize and we aim to take the winning gardens to the church in time for the Easter service. We would very much like the gardens to be approximately A4 size or the same as a seed tray. Also please could they be the children's work as much as possible and if all gardens could be brought into school by the 17th March we can display them and judge the competition before the service.

Thank you for your support and happy gardening!

Emma Shire
